

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT AT KEY

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each customer who opens an account. Therefore, all new and existing customers are subject to the identity verification requirements.

When a customer opens an account with any entity within the KeyCorp family of companies, we will ask for the customer's name, address and identification number, and, in the case of an individual, his or her date of birth. For business accounts we may also obtain this information for individuals associated with the business. We may also request to see a valid driver's license or other approved identifying documents. In all cases, Key is committed to protecting the privacy and identity of each of its customers.
